SUMMARY

Product Manager with experience leading cross-functional teams to deliver complex projects on time and within scope. Skilled in project planning, research, documentation and stakeholder management. I excel at coordinating efforts across departments to ensure seamless execution and alignment with organizational goals. I focus not just on shipping features but on creating solutions that make a difference. I'm eager to bring this mindset to a team that values innovation and purposeful product development.

PRODUCT MANAGEMENT SKILL: Project Management, Scrum and Agile Principles, Product Roadmapping, Stakeholder Management, Product Lifecycle Management, Features Prioritization, A/B Testing, Market Research, Competitive Analysis.

DATA AND ANALYSIS: User Research, Data Analysis, Performance Tracking, Requirements Gathering

SOFT SKILL: Customer Empathy, Problem Solving, Adaptability and Grit, Team Leadership, Communication, Cross-Functional Collaboration, Critical Thinking, Time Management, Conflict Resolution, Strategic Thinking.

TOOLS: Jira, ProductPlan, Monday.com, Trello, Asana, Miro, Apollo, Google Analytics.

PROFESSIONAL EXPERIENCE

PorchPlus

Associate Product Manager

Lagos, Nigeria (Remote)

2024 - Present

Collaborated on enhancing PorchPlus, a property management platform, ensuring seamless property listing, tenant management, and workflow optimization.

Key Contributions

- Led the QA process, identifying and resolving critical issues, improving platform stability, and ensuring a seamless user experience.
- Coordinated with cross-functional teams, ensuring product features aligned with user needs and business objectives.
- Spearheaded the development of a Property Manager App, introducing features that streamlined property listing and tenant management.
- Directed stabilization efforts for the Tenant App, significantly improving its reliability and user satisfaction.
- Managed Jira issues, refining workflows and enhancing collaboration across teams.

SGE Initiative

Product Manager

Lagos, Nigeria (Remote)

2024

Defined the product vision for SGE Academy, an educational platform promoting environmental and sustainability awareness across sectors.

Key Contributions:

- Developed a clear product vision and scope, aligning stakeholders and increasing platform engagement.
- Conducted user research and stakeholder interviews, ensuring the platform addressed real user needs.
- Created a structured product roadmap, prioritizing high-impact features and driving timely delivery.

Edukit Nigeria

Product Manager

Ibadan, Nigeria (Remote)

2024 - Present

Led the development of Edukit Nigeria, a platform aimed at reducing educational resource inequality by connecting donors, volunteers, and beneficiaries.

Key Contributions:

- Assembled and led a cross-functional team of 14 professionals, including designers, developers, and education experts, to drive the platform's development.
- Defined and prioritized product features using MoSCoW and RICE methods, ensuring alignment with the needs of underserved students and schools.
- Conducted user research through surveys and interviews, identifying key pain points and opportunities to enhance platform offerings.
- Played a central role in shaping the product roadmap, ensuring that critical features were delivered in alignment with the platform's mission.
- Conducted regular team and stakeholder meetings to align on goals, gather input, and resolve blockers, ensuring consistent progress.

AFY Impact Project Coordinator

Osun, Nigeria
2019-2023

Oversaw various projects aimed at driving social impact, ensuring they met their goals and objectives. Played a key role in planning, executing, and closing projects while maintaining strong stakeholder relationships.

Accomplishments

- Led strategic projects aligning with organizational goals resulting in an increase in overall efficiency and project delivery time.
- Coordinated cross-functional teams for project execution achieving a project completion rate within deadlines and budgets.
- Proactively identified and mitigated risks, significantly reducing project-related incidents.
- Ensured proactive team communication and satisfaction.

EDUCATION

BSc in Biochemistry **2016**
University of Ilorin, Nigeria

MSc in Public Health **2026(Expected)**
National Open University of Nigeria (In view)
